

I am interested in serving as the Treasurer of the DPBC because I want to contribute in a meaningful way to furthering the cause of the Democratic Party in Benton County and in Arkansas.

My experience related to the position of Treasurer is varied. In the late 1980's I was a member of the faculty of the United States Military Academy at West Point, where I taught Financial Accounting and Managerial Finance. Over the years, I have served on the boards of various non-profit organizations, setting budgets and tracking expenditures. Finally, I have an MBA in Finance from the Wharton School, which I have employed extensively in my professional life.

My goal for the DPBC in 2021 and 2022 is to produce financial reports, which enhance the ability of the Executive and Steering Committees to make timely and well-informed decisions with respect to the allocation of the DPBC's financial resources.

I am a native of Missouri. I graduated from Dartmouth College with a degree in History in 1975. I served as an Army Ranger and paratrooper for 20 years, retiring as a Lieutenant Colonel. While on active duty, I received an MBA in Finance from the Wharton School. Since retiring from the Army, I have worked as a consultant, serving clients in the federal government—Department of Defense, Department of Homeland Security, and Department of Veteran Affairs.

I have been a property owner in Benton County, Arkansas since 1985. I moved to Bella Vista, Arkansas at the beginning of 2019 to be near my mother, following the death of my father. In May 2019, I married my wife, Carolyn. We now live on one of the lakes in the western part of Bella Vista. I am currently an Elder of the Presbyterian Church of Bella Vista. Additionally, I am President of the Dartmouth Class of 1975.
